Annual Auction

Sunday, October 20

The doors open at 11:00
The auction begins at noon.

We need lots of help setting up and cleaning up.

Help is needed during the auction to bring up the items being auctioned, managing the sales transactions, selling raffle tickets and monitoring items coming in and going out.

Contact Ron if you are able to help - no experience needed!

September Happenings

The September meeting was delayed due to some computer confusion. When the meeting finally got under way it was sparsely attended. The main topic was the upcoming auction. There are still a few details to check out at the October meeting, but generally things are pretty much in order.

Since the meeting Harry has confirmed that Dean Allred has agreed to be the auctioneer.

As always, there is a need for help from the members. This is a great opportunity for our new members to pitch in and make a difference.

The club extends a sincere **thank you to the Smith family** for the generous donation they made to the club in memory of Bob Smith.

It's time for the election of new officers at the Annual Meeting in December. If you are interested in running for office contact a current officer.
