November Happenings

With the colder weather not much is happening at the field. At the November meeting it was agreed that the field would get ready for winter with the tarps taken down and the pilot stands put away. The field is open year-round for flying. Remember to pay your dues if you plan to fly after January 1, 2025.

Dues for 2025 are $75 for regular members and $25 for juniors. There is no initiation fee for new members. Membership form is on page two or you can renew online at www.nrcmc.club

The Annual Meeting and election of officers for the new year takes place at the December meeting. This is an important meeting. All positions are open for nominations up until the time of voting at the December meeting. So far the tentative list of candidates is:

President: Ron St. Germain
Vice President: Mike Dascoli
Secretary: (Ron has been filling in)
Treasurer:Harry Reifel (not sure)
Safety Officer:Bruce Mitchel
Field Coordinators:Paul Corrigan

At this time there are many positions unfilled. A secretary is needed (no formal skills required).

Please consider helping **YOUR** club by stepping up to help. None of these positions require much time and help is always available.

Come to the meeting and speak up if you have ideas to make the club better or want to see any changes.
