## INFORMATION:

Type in this box

The field is beautiful, I have flown a few time . Safety gates are in place, shed has been tidied up.

Had a neighborly chat with Dana Poulin our neighbor to the left. He had no concerns, nice guy. Rent has been paid, AMA charter is paid, website is paid.

Both tractors need some work as we ready for the season. The Toro mower had battery swapped and major under the hood cleaning from rodent infestation. We will need to get some blades/belts. The husqvana needs cleaning, Ron is going to weld repair one of the deck dolly's. For now we rely on the Toro. Initial mowing has been done by Ron, thank you ! We will be installing a fire extinguisher outside the shed along with the first aid kit.

First Seasonal meeting at the field this year is May 23 at 9:30AM.

### **Treasurers Report:**

Funds available \$3255.28

Current membership size is: 14

## INTERESTING:

Congrats to RC Aces for being AMA's Club of the month

Because of rising production and distribution costs, AMA will implement a \$10 annual fee for eligible members who choose to receive the print edition of Model Aviation, effective September 1, 2026. This decision follows careful evaluation and thoughtful discussion to ensure that we can sustainably maintain the quality of the magazine you value. We understand that changes to long-standing member benefits can be frustrating, especially for those who value the print editions

AMA Chartered Club #3514

Next meeting: May 23 9:30AM

Dedicated to the memory of Ron Arriel, President 1994-2006
