August 15 meeting notes

Start time: 9:30am
Items discussed:

Lawnmowers:

Old lawnmower is still broken. Ken and Ron looked at the mower after the meeting. It doesn't appear that the drive shaft on the mower is damaged but the clutch is seems to be the problem. The motor runs fine but it seem the clutch that drives the mower deck is either broken or has come loose. To really determine what's wrong the mower will have to be put on ramps to inspect it. Ron and Ken will look at it at a later date. The new lawnmower is running fine.

Club Picnic, Etc.:

Based on the last survey the membership favored having a picnic, a fly-in and an auction. The date of the picnic has be set for Sunday September 20th with a rain date of Sunday the 27th. Rather than have 3 three separate events, Ron proposed that we combine the picnic with the fly-in as we did last year but instead of an auction, which requires substantial manpower and hasn't produced the revenue as in past year, that we change the format to hold a combined "SWAP EVENT/SALE" event where guest at the fly-in can swap/sell things they bring to the fly-in. In addition the club would offer the stuff it received from Bruce Mitchel's daughter as well. This would be easier and hopefully draw a larger attendance. In addition the picnic would be scaled back to only offering hot dogs, hamburgers and drinks instead of a pot-luck picnic. Ron motioned to put proposal to a vote that was seconded by Bob Teglaar and approved by all present.

Based on the above proposal, Ron will call another meeting in a week or so focused specifically on organizing the picnic. All club members members are encouraged to attend this meeting so we can plan the event and make it successful.

End time: 10:15am

Ron motioned to end the meeting seconded by Kan and passed by all present
